Terrific show with PJ!

Another great brunch performance from PJ Brunson. Once again, PJ kept all of our guests engaged and entertained. We love the variety, the stories, and the sense of humor. Already booked two more gigs in August - and we can't wait! Thanks, PJ, it's hard to pack the house on a Sunday Fourth of July weekend, but you did it!

Awesome singer and guitarist!

We booked PJ to play for our restaurant for our Sunday Brunch - what a home run! Loved the music, the vibe, the personality. PJ made a great connection with the crowd, generated great guest involvement, and made sure everyone had a great time. Our guests relaxed and lingered, enjoying one more glass of wine while taking in the music. 10 out of 10 for sure - we can't wait to have PJ back to share with our guests! Thanks PJ!

Great Music and lots of fun

We were so thrilled with PJ. Everyone had a fun time. PJ took requests and played some of her own songs which we all enjoyed. We look forward to having PJ play at other events.

Excellent! Already asking her to come back.

We had PJ come perform for two events at our Father's Day celebrations. The performance was excellent, and more than we expected. We had a diverse age group of over 140 people and the song choices were spot on! Couldn't have asked for anymore. Plus, PJ was enjoyable and engaging on and off stage. We felt like we gained a new friend. We are all excited to have her back. Highly Recommend.

Big Hit & Great Fit!

PJ was fantastic, she was a great fit for our event. She was such a hit, that many guests were reaching out on how to obtain her for future events! Thank you, PJ!
